Dear Dr. Coomer,

Brother I do thank you for coming to CBC and allowing God to mightily use you and Kim to be a challenge and blessing to the people of God here. There has been a sense that this retreat was a high point of impact spiritually in every way for all who participated.

Praise God for the clear, strong, scriptural, spiritual preaching and teaching. My own heart was repeatedly challenged, convicted and prayerfully CHANGED (II Cor. 3:18).

Brother, I am inquiring if there is any possibility that you and Kim would consider coming to our 2015 Couples Retreat and preaching the Word of God? The dates are Nov. 6-8 of 2015. I saw that you are already booked for at least three (3) events so I am praying that it might possibly work for you to consider this time.

I praise God for your ministry and testimony for Christ and yours and Kim's obvious love for God and His perfect Word. It was a joy, privilege and blessing for Heidi and I to spend the time with you.

Be encouraged always and a blessed and wonderful Thanksgiving in our Lord and Saviour Jesus Christ to you, Kim, all your family and the ministry of Hope Baptist Church.

In His Service,

Pastor David A. Smith (Phil. 4:13)
