

Dear Dr. and Mrs. Coomer,

I wanted to write to thank you and Kim for bringing the Hope National Biblical Counseling Training Conference to Mt. Zion Baptist Church of Brogue, PA! This truly was a life-changing time of learning and growth for many who attended (they have told me so). Your teaching and preaching was full of practical Biblical truths for making lasting changes in a person's life. It was encouraging, motivating, challenging, and uplifting! The conference itself and the fellowship with other pastors and lay-persons was truly a blessing to our church! When my wife and I attended the conference at your church two years ago, it was a great blessing to us and helped us in our own lives and gave us great teaching in order to help others. We are excited to see what the Lord will do in the lives of those who attended this conference at our church! I highly encourage Pastors and their wives, church staff, and lay-persons to attend one of your conferences!

Thank you again, and may the Lord bless you as you continue to serve Him in this tremendously valuable and helpful ministry!

Sincerely,
Todd Henricks
