Dear Dr. Coomer and Congregation:

I want to take this opportunity to thank you all there for the gracious reception accorded this preacher during your recent church anniversary celebration services. Your warm reception to my person and ministry was greatly appreciated.

On behalf of Mrs. Jasmin and myself, we would like to thank you for the love offering received, which is being utilized to help meet family needs. We had to have the heater motor immediately replaced in our mobile home upon return from Little Rock, so a portion of your gift was quickly used to meet that emergency need.

I do trust that the preaching/teaching ministry was a spiritual blessing and encouragement to all who attended the services and the men's prayer breakfast as well. It is this preacher's goal to simply be a "servant of local churches and a pastor's helper," while being "a slave to Jesus Christ" as the bottom of this stationery states.

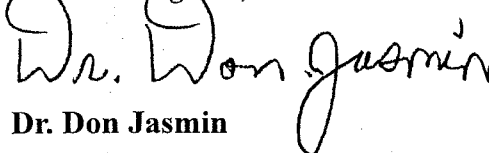

God has given you a discerning and wise shepherd to pastor the flock there, as well as a dedicated wife who stands unreservedly behind her husband's endeavors. I know you are grateful for their vision and sacrifice in coming to the Little Rock area to establish this congregation.

As you labor unitedly together, under your pastor's leadership, I trust that you will experience both conversions among the lost and spiritual edification among the saints. As I publicly mentioned, they are the number ONE missionaries in your church—keep them at the TOP of your prayer list. I do believe the church there has a golden opportunity to saturate the Little Rock area with the rare but also much needed Scriptural emphasis that Hope Baptist Church provides.

As the Holy Spirit brings this preacher and his ministry to your remembrance, we would appreciate your ardent prayers for both his preaching and printed endeavors as well. I do believe that God has raised up the Fundamental Baptist Ministries [FBM] and *The Fundamentalist Digest* to be of assistance to Fundamental Baptist churches in the critical hour in which we are now living.

May the Lord richly bless your labors there for His glory. Until we hear the sound of the Trumpet, "keep on keeping on."

With best regards,

Dr. Don Jasmin
