Recommendation Testimony of Dr. Gary Randall:

Dear Dr. and Mrs. Coomer,

Just a quick note to say thank you for coming to Elmwood Baptist Church for our Family Conference. This meeting has generated more spiritual fruit in our church than any meeting that we have ever had! The messages that you preached were without question the very ones needed to address the issues that are destroying Christian homes today. I am so glad as Pastor to see my people being moved of the Lord to develop a real, personal, passionate relationship with the Lord in their lives! Thank you for bringing your books and pamphlets. I say all the time, we are what we read and the people have materials now that will help them for years to come!

In 2015, when I brought my pastoral staff to your first Hope Biblical Counseling Training Conference, I had no idea the affect that it would have on us all, neither could I have imagined the blessing it would ultimately be to my church. God bless you and Kim as God uses you in this tremendous ministry!
