Dear Dr. and Mrs. Coomer

Since being introduced to your ministry in 2015, and attending the first Hope Biblical Counseling Training, my life and ministry have changed drastically for the glory of God. Thank you for being used by our Lord and Savior Jesus Christ. The Christ-centered, Spirit-filled preaching and teaching were refreshing and convicting. It shocked me that I was not previously shown these clear truths from the Word of God. Too many pulpits have a misunderstanding of Christianity and our relationship with Jesus Christ through the Holy Spirit. I cannot thank you enough for how you have helped me.

Over the years, as I have had the privilege of sitting under your ministry through various conferences in different churches across numerous states, I have grown deeper in my love and devotion for Jesus Christ. My relationship with God has been blessed and deepened.

As a pastor, you have helped the people within my church. You have caused to rethink our walk with God and shown us the vitality of life that is found in an intimate walk with God.

It is with sure confidence that I recommend you and your ministry to other churches. Again, thank you for your ministry.

In Christ's Humble Service,

Joshua Lehman
Senior Pastor
